SUMMER FESTIVAL

WEEK 1: CONCERTO *featuring Reiko Uchida, piano*
July 11 & 12

Stunning virtuosity, satire and lyricism are the hallmarks of Shostakovich's Piano Concerto No. 1, the featured work on this program. With lean, transparent piano writing closer to Mozart than to the lush late-Romantic concertos, this piece is often considered a double concerto because of its prominent solo trumpet line.

WEEK 2: THE SPIRIT OF '76 *featuring Susan Palma Nidel, flute*
July 18 & 19

In spite of the radical changes taking place in both the Old and New Worlds in 1776, beloved composers like Haydn and Mozart were producing some of their greatest music. Mozart's Flute Concerto in G Major shows him at his most elegant, witty and melodically generous, while his Divertimento in D, also featured, is unusually light, charming, and festive.

WEEK 3: SUMMER SERENADE
July 25 & 26

Serenades are meant to provide pleasure at social gatherings, outdoor entertainment and festive occasions. This week's featured work, Brahms Serenade No. 2 in A, for winds and strings, has a gentle, pastoral atmosphere. With its relaxed, songful, and conversational feel, and its dark mellow colors and long beautiful melodies, this is chamber music on a larger scale that feels like sharing stories with friends.

WEEK 4: AT THE MOVIES *featuring Sara Heaton, soprano*
August 1 & 2

Following her stunning performance last summer of Mahler Symphony No. 4, Ms. Heaton will return to join the Chamber Players for music by legendary composers of film and theater scores. Ennio Morricone's unforgettable theme from 'Cinema Paradiso', Bernard Hermann's frightening shower scene from Hitchcock's 'Psycho', as well as music by Leonard Bernstein and Wolfgang Korngold are just some of the delights and surprises that await.

WEEK 5: TANGO ROMANCE *featuring Pablo Ziegler, piano*
August 8 & 9

Grammy Award-winning artist, Pablo Ziegler, was the pianist in Astor Piazzolla's legendary quintet for more than a decade. Born in Buenos Aires, he is considered one of the most important figures of tango nuevo and the last direct heir to Piazzolla's performing tradition. His music blends traditional tango with American Jazz and European Classicism, creating a refined yet rhythmically charged style. His historic, return appearance with the Chamber Players is not to be missed.

BONUS WEEK: SUMMER ROMANCE Part III
August 29 & 30

Following last summer's standing-room-only performances of Brahms' String Sextet No. 2, the Chamber Players will complete the cycle with String Sextet No. 1 in Bb, a beloved masterpiece that combines warmth, richness and structural mastery in a way that still feels intimate and profoundly human. The lush sonorities produced by the addition of a second viola and 'cello to the ensemble are the perfect platform for some of Brahms' most beautiful, generous and expansive themes.
